

Tahoma High School,

I would like to personally invite Tahoma high school to support our community. This fundraiser is a great way for everyone in our community to get involved. American Family Insurance is hosting a fundraiser for the Maple Valley Fire Department all monies raised will go towards the Benevolent Fund. This fund is set up to help residents of our community who are affected by a house fire, or anything that can devastate a family. Having kids of all ages involved with the community and giving back can give them a sense of belonging and make them more passionate about where they come from. There will be a few preschools that will attend this event, the Maple Valley Fire Department, and other businesses. Everyone would love to see the Cheerleaders and sports teams there as well. Please join us in making our community stand out and come together for something so great! Let's work together and make a goal and reach it!

Also if you have any students who would just like to be a part of something great, the invitation is open.

Thanks,

Christina A. Garcia | Marketing Specialist
